

**Rep. Glenn Baker
D-78**

Biography

Glenn Baker attended Forest Park High School and married Janice, his high school sweetheart. Married now for 42 years, Janice and Glenn have worked together to raise their two children centered upon a core value of service. Their church membership at Jodeco Road Methodist Church has always reminded them to strive to serve as they have been served.

Glenn's willingness to serve directed his career at Georgia Power for 35 years until he retired in 2001. During his tenure there, he had the honor to be selected to participate in the Loaned Executive Program with The United Way. These opportunities gave him exceptional experience in business planning, project management, customer relationships and public speaking.

Over his career, he gained valuable expertise in large scale, civic planning while working with Central Atlanta Progress and The Atlanta Downtown Improvement District. Building a real sense of community has driven him in his duties as President of Lake Spivey Community. The importance of serving the sick and needy directed his efforts while on the Board of Directors for the Clayton County Cancer Society and as a volunteer for the Georgia Transplant Foundation. Glenn currently handles client development for their court reporting firm, Janice S. Baker & Associates and also serves on the Board of Directors of Worktec.
