

Rep. Timothy Barr
District 103

Biography

Timothy Barr is a man of deep faith with a young family and a small business willing to fight to preserve the constitution and traditional family values. He was born and raised in Northeast Georgia on a small farm, where he learned responsibility and the importance of hard work. After being part of his grandfather and father's construction business, Timothy started his own company in 2005. As the company has flourished, he has been able to help build two children's homes and is deeply involved in that ministry. Timothy and his wife, Melinda, have served faithfully in their church over the years. Currently, Timothy is on the deacon board. He also serves on several other nonprofit boards. God has blessed them with four children: Liberty, Haven, Maverick and Dixie.
