

**Rep. Bruce Broadrick  
(R-4)**

### **Biography**

Elected in 2012, Representative Broadrick begins his second term in the House representing the 4<sup>th</sup> District. The House 4<sup>th</sup> district includes the major portions of the City of Dalton and the Southern portion of Whitfield County. Bruce's committee assignments include Health and Human Services, Industry and Labor, and Intragovernmental Coordination.

Bruce and his wife Mary Ann have been married for 38 years and are both native residents of Dalton. They have three children and four Grandchildren with another grandchild expected after the first of the year.

He is a graduate of Middle Georgia College and The University of Georgia College of Pharmacy. Bruce is a former president of the Georgia Pharmacy Association. Additionally, he completed the UGA Carl Vinson Institute Legislative Leadership Program, the GSU Health Policy Training Program, and was recognized as the 2013 Distinguished Alumni for UGA College of Pharmacy.

Representative Broadrick is a community pharmacist that has served his community for more than 39 years. He believes that his years of experience as a pharmacist will help to address the health challenges our state faces. We have so many assets to offer in Whitfield County. Bruce hopes to promote our assets for economic development and new business growth. Education and workforce development are interests he also has as a legislator.

He has served as Chairman of the Whitfield County Board of Health and is a board member of the Northwest Georgia Healthcare Partnership. During his professional career, Bruce has received numerous service and leadership awards. He has served on state level committees with the Department of Community Health and the State Board of Workers' Compensation.
