

POINT
BROADBAND

FAST. RELIABLE. INTERNET.

Internet. Made Simple.

Our Story.

Point Broadband is headquartered in West Point, Georgia, a small town on the border of Georgia and Alabama. We are a proud subsidiary of ITC Capital Partners, LLC.

ITC has a **century long history** of providing innovative communication solutions to its customers, with a focus on serving the communities where its customers live. ITC has been successful building, owning and operating wireless networks and broadband businesses over many years.

We want to be **more** than just your internet provider.

We want to help you **connect** with **friends** and **family**, help your **business connect** with more customers, and just simply make the world a smaller place. Our customers have the flexibility to connect with ***anyone, anywhere, at any time.***

Point Broadband also wants to be part of your **community.**

We work with the local communities and our customers to re-invest back into each community we serve

Our Values.

We **ALWAYS**
do business
with **HONESTY**
and **INTEGRITY**.

We approach
customer service
with a sense
of **URGENCY**.

We **PARTNER**
with communities
we serve to make
lives better.

We work as a
TEAM to deliver
an excellent
product.

We are **FAIR**
in our dealings
with others.

We are
EASY to do
business
with.

About Us.

Point Broadband offers fast, reliable internet service to residential and business customers in rural and suburban America.

We are making significant investments building **state-of-the-art wireless broadband networks** to better serve areas that, until now, have had limited or no internet service.

We want to earn **your business** by providing you with an **advanced, yet simple internet solution** and backing that up with great customer service.

Advanced yet simple Internet means:

FAST & RELIABLE

Very **fast** and **consistent** Internet delivering fiber-like speeds

NEWEST TECHNOLOGY

New, **state-of-the-art wireless** broadband network

SIMPLE PLANS

Two **Simple** Internet plans to choose from

NO CAPS

No monthly usage caps, so no surprises on your bill

NO CONTRACTS

If we do not meet your expectations you can fire us with **no hassle**

Take Action.

How Georgia Can Help Accelerate Deployment
of High Speed Internet in Rural Areas
