"SECTION 2.

(a) Those members of the Board of Commissioners of Walton County who are serving as such immediately prior to the effective date of this Act, and any person selected to fill a vacancy in any such office, shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors. On and after the effective date of this Act, the Board of Commissioners of Walton County shall consist of seven members, six of whom shall be elected from commissioner districts described in subsection (b) of this section and a chairperson who is elected at large as provided in this Act.

(b) For purposes of electing members of the board of commissioners, other than the chairperson, Walton County is divided into six commissioner districts. One member of the board shall be elected from each such district. The six commissioner districts shall be and correspond to those six numbered districts described in and attached to and made a part of this Act and further identified as 'Plan: waltonccprop3-2012 Plan Type: Local Administrator: Walton CC User: SE'.

(c) When used in such attachment, the terms 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. Any part of Walton County which is described in that attachment as being in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia. Except as otherwise provided in the description of any commissioner district, whenever the description of such district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census map for the United States decennial census of 2010 for the State of Georgia.

(e) No person shall be a member of the board if that person is ineligible for such office pursuant to Code Section 45-2-1 of the O.C.G.A. or any other general law applicable to that office.

(f) In order to be elected as a member of the board from a commissioner district, a person must be a resident of that commissioner district and must receive the number of votes cast as required by general law for that office in that district only. To amend an Act providing for districts for the election of the Board of Education of Walton County, approved April 4, 1968 (Ga. L. 1968, p. 2974), as amended, particularly by an Act approved April 25, 2002 (Ga. L. 2002, p. 4511), so as to change provisions relating to education districts for the board; to define certain terms; to provide for the submission of this Act to the United States Department of Justice; to provide for related matters; to provide an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act providing for districts for the election of the Board of Education of Walton County, approved April 4, 1968 (Ga. L. 1968, p. 2974), as amended, particularly by an Act approved April 25, 2002 (Ga. L. 2002, p. 4511), is amended by revising Section 1 as follows:

"SECTION 1.

- (a) The Board of Education of Walton County shall be composed of seven members to be elected as provided in this Act. For the purpose of electing members of the Board of Education of Walton County, Walton County shall be divided into seven education districts.
- (b) The seven education districts shall be and correspond to those seven numbered districts described in and attached to and made a part of this Act and further identified as 'Plan: waltonsbprop1R-2012 Plan Type: Local Administrator: Walton SB User: SE'.
- (c) When used in such attachment, the term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. The separate numeric designations in a district description which are underneath a 'VTD' heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia.
- (d) Any part of the Walton County School District which is not included in any such district described in that attachment shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia. Any part of the Walton County School District which is described in that attachment as being in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia. Except as otherwise provided in the description of any education district, whenever the description of such district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census map for the United States decennial census of 2010 for the State of Georgia."

SECTION 2.

It is the purpose of this Act to reapportion the districts from which members of the Board of Education of Walton County are to be elected in the November, 2012, general election and in subsequent general elections, and this Act results from changes in population based on the United States decennial census of 2010. It is not the intention of the General Assembly to affect the membership of current members of the board, their terms of office, or the manner in which their successors shall be elected, and such matters shall remain as provided by law on the effective date of this Act until otherwise amended by law, except to the extent of reapportioning the districts represented by such members.

SECTION 3.

It shall be the duty of the attorney for the Board of Education of Walton County to submit this Act for approval pursuant to Section 5 of the federal Voting Rights Act of 1965, as amended.

SECTION 4.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 5.

All laws and parts of laws in conflict with this Act are repealed.
