L. 2002, p. 3748), so as to change the description of the commissioner districts; to provide for definitions and inclusions; to provide for continuation in office of current members and election of subsequent members; to provide for submission of this Act for approval under Section 5 of the federal Voting Rights Act of 1965, as amended; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act creating the Board of Commissioners of Morgan County, approved March 25, 1935 (Ga. L. 1935, p. 738), as amended, particularly by an Act approved April 2, 2002 (Ga. L. 2002, p. 3748), is amended by revising Section 2 as follows:

"SECTION 2.

(a) The Board of Commissioners of Morgan County shall consist of five members. For purposes of electing members of the board of commissioners, Morgan County is divided into five commissioner districts. The five commissioner districts shall be and correspond to those five numbered districts described in and attached to and made a part of this Act and further identified as 'Plan: morgancsbR-2012 Plan Type: Local Administrator: Morgan User: Gina'.

(b)(1) For the purposes of such plan:

(A) The term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. The separate numeric designations in a

district description which are underneath a VTD heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia; and (B) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2010 for the State of Georgia.

(2) Any part of Morgan County which is not included in any district described in subsection (a) of this section shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.

(3) Any part of Morgan County which is described in subsection (a) of this section as being included in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia."

SECTION 2.

Said Act is further amended by revising Section 4 as follows:

"SECTION 4.

The members of the Board of Commissioners of Morgan County in office on June 1, 2012, and any person selected to fill a vacancy in any such office shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors. Commissioner Districts 1 through 5, as they exist immediately prior to the effective date of this section, shall continue to be designated as Commissioner Districts 1 through 5, respectively, but as newly described under this Act; and, on and after the effective date of this section, such members of the board serving from those former commissioner districts shall be deemed to be serving from and representing their respective districts as newly described under this Act. A successor to each such member shall be elected from the district described in Section 2 of this Act in the manner described in Section 3 of this Act. Elections shall be conducted under the general election laws of Georgia, and members shall be commissioned by the Governor as other county officers are commissioned."

SECTION 3.

The Board of Commissioners of Morgan County shall through its legal counsel cause this Act to be submitted for preclearance under Section 5 of the federal Voting Rights Act of 1965, as amended, no later than 45 days after the date on which this Act is approved by the Governor or otherwise becomes law without such approval.

SECTION 1.

Title 45 of the Official Code of Georgia Annotated, relating to public officers, is amended by adding a new Code section to read as follows:

"45-12-92.2.

(a) As used in this Code section, the term:

(1) 'Base amount' means the amount of fee proceeds collected during the complete fiscal year which immediately precedes the fiscal year for which the current appropriation amount is determined with respect to an individual fee which proceeds are required to be remitted for:

(B) Use for a specified purpose;

(C) Deposit into a trust fund created by general law; or

(D) Deposit into a trust fund provided for under the Constitution of Georgia or use for a specified purpose provided for under the Constitution of Georgia when such proceeds are not directly earmarked thereunder or when the General Assembly is authorized thereunder, but not required, to appropriate funds thereto.

When a fee amount has been reduced pursuant to any provision of this Code section, then for purposes of calculating amounts as required under this Code section for the next fiscal year, the term shall mean the amount of fee proceeds that would have been collected during a specified fiscal year under the original, unreduced amount of the fee.

(2) 'Collecting agency' means:

(A) For the fees identified in subparagraphs (A) and (B) of paragraph (4) of this subsection, the state department, state agency, public officer, public official, or public entity which collects or receives proceeds of the fee; and

(B) For the fees identified in subparagraphs (C) through (J) of paragraph (4) of this subsection, the Georgia Superior Court Clerks' Cooperative Authority.

(3) 'Current appropriation amount' means the total amount of funds which were appropriated for a purpose or function described under a subparagraph of paragraph (4) of this subsection during the fiscal year which immediately precedes the fiscal year for which the new appropriation amount is determined for which the calculations are required under subsection (b) of this Code section.

- (5) 'New appropriation amount' means the total amount of funds which are appropriated for a purpose or function described under a subparagraph of paragraph (4) of this subsection for the newly commencing fiscal year for which the calculations are required under subsection (b) of this Code section.
- (b) Effective for the fiscal year beginning July 1, 2013, and each fiscal year thereafter:
- (1) The Office of Planning and Budget shall determine the base amount for the particular purpose or function as described under a subparagraph of paragraph (4) of subsection (a) of this Code section;
 - (2) The Office of Planning and Budget shall determine the current appropriation amount and the new appropriation amount;
 - (3) The Office of Planning and Budget shall determine an amount equal to 20 percent of the base amount and shall add the amount so determined to the current appropriation amount. This sum shall be the target appropriation amount;

 - (5) If the new appropriation amount is less than the target appropriation amount, then the amount of the fee shall be reduced automatically by operation of this Code section by 20 percent for the fiscal year beginning on July 1. Any fee amount adjusted pursuant to this paragraph shall be rounded to the nearest whole dollar amount. Immediately following the date the General Appropriations Act for the newly commencing fiscal year is approved by the Governor or becomes law without such

approval, the Office of Planning and Budget shall notify the appropriate collecting agency of the adjusted fee amount; and

(6) For any fiscal year following a fee reduction under paragraph (5) of this subsection, if the new appropriation amount is equal to or greater than the target appropriation amount, then the fee amount shall, by operation of law, be increased back to the fee amount in place immediately prior to the most recent such reduction.

(c) For purposes of the calculations required under this Code section, each time that a 20 percent amount has been added to a prior appropriation amount under paragraph (3) of subsection (b) of this Code section, that amount shall remain cumulative and shall remain as a part of the target appropriation amount for purposes of the calculations required under subsection (b) of this Code section for the next fiscal year.

(d)(1) Except as otherwise provided in paragraph (2) or (3) of this subsection, calculations under subsection (b) of this Code section shall continue in effect for a fee for each fiscal year until the new appropriation amount is equal to or greater than 95 percent of the target appropriation amount.

(2) If, in any subsequent fiscal year, the new appropriation amount is less than 95 percent of the base amount, then there shall be a commensurate fee reduction applicable to that fee amount effective the first day of the subsequent fiscal year in such amount as may be necessary to offset the difference between the new appropriation amount and the base amount in such fiscal year.

(3) In the event that the 20 percent addition required under paragraph (3) of subsection (b) of this Code section results in the target appropriation amount to equal or exceed 95 percent of the base amount, then there shall be no reduction in the fee amount under this Code section for the applicable fiscal year.

(e) In the event that a portion of the proceeds of a particular fee are directed by general law to be remitted by a collecting agency directly to a local governing authority, the reduction in such fee amount, if required by this Code section, shall apply proportionately only to that portion of the fee amount that is not required to be so remitted to such local governing authority.

(f) No provision of this Code section providing for the determination of any amount shall preclude the appropriation of greater amounts for purposes or functions covered by this Code section.

(g) Each collecting agency covered by this Code section and the Office of Planning and Budget shall promulgate such rules and regulations as are necessary and appropriate to implement and administer this Code section, including, but not limited to, appropriate public notification of any change in a fee amount and the effective date of such change required by any provision of this Code section."
