"SECTION 1-101.

- (a) The Board of Commissioners of Newton County which existed immediately prior to the effective date of this Act is continued in existence but on and after the effective date of this Act shall be constituted as provided in this Act. The Board of Commissioners of Newton County so continued and constituted, sometimes referred to in this Act as the 'board,' shall continue to have the powers, duties, rights, obligations, and liabilities of that board as existed immediately prior to the effective date of this Act.
- (b) Those members of the Board of Commissioners of Newton County who are serving as such immediately prior to the effective date of this Act and any person selected to fill

a vacancy in any such office shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors. On and after the effective date of this Act, the Board of Commissioners of Newton County shall consist of five members all of whom shall be elected from commissioner districts described in subsection (c) of this section.

(c) For purposes of electing members of the board of commissioners, Newton County is divided into five commissioner districts. One member of the board shall be elected from each such district. (A) The term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. The separate numeric designations in a district description which are underneath a 'VTD' heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia; and

(B) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2010 for the State of Georgia.

Those and all future successors to members of the board whose terms of office are to expire shall be elected at the time of the state-wide general election immediately preceding the expiration of such terms, shall take office the first day of January immediately following that election, and shall serve for terms of office of four years each. Members of the board shall serve for the terms of office specified therefor in this subsection and until their respective successors are elected and qualified.

(f) Commissioner Districts 1 through 5, as they exist immediately prior to the effective date of this Act, shall continue to be designated as Commissioner Districts 1 through 5, respectively, but as newly described under this Act; and, on and after the effective date of this Act, such members of the board serving from those former commissioner districts shall be deemed to be serving from and representing their respective districts as newly described under this Act."

SECTION 2.

The Board of Commissioners of Newton County shall through its legal counsel cause this Act to be submitted for preclearance under Section 5 of the federal Voting Rights Act of 1965, as amended, no later than 45 days after the date on which this Act is approved by the Governor or otherwise becomes law without such approval.

"SECTION 1.

(a) The Board of Education of Newton County which existed immediately prior to the effective date of this Act is continued in existence but on and after the effective date of this Act shall be constituted as provided in this Act. The Board of Education of Newton County so continued and constituted, sometimes referred to in this Act as the 'board,' shall continue to have the powers, duties, rights, obligations, and liabilities of that board as existed immediately prior to the effective date of this Act.

(b) Those members of the Board of Education of Newton County who are serving as such immediately prior to the effective date of this Act, and any person selected to fill a vacancy in any such office, shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors. On and after the effective date of this Act, the Board of Education of Newton County shall consist of five members all of whom shall be elected from education districts described in subsection (c) of this section.

(c) For purposes of electing members of the board of education, the Newton County School District is divided into five education districts. One member of the board shall be elected from each such district. The five education districts shall be and correspond to those five numbered districts described in and attached to and made a part of this Act and further identified as 'Plan: newtonccsbR-2012 Plan Type: Local Administrator: Newton User: SE'.

(d)(1) For the purposes of such plan:

(A) The term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. The separate numeric designations in a district description which are underneath a 'VTD' heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia; and

(B) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2010 for the State of Georgia.

(2) Any part of Newton County which is not included in any district described in subsection (c) of this section shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.

(3) Any part of Newton County which is described in subsection (c) of this section as being included in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. Such noncontiguous part shall instead be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.

(e) The members of the reconstituted Board of Education of Newton County shall be elected as provided in this subsection. The first members from Education Districts 1, 3, and 5 shall be elected at the general election on the Tuesday next following the first Monday in November, 2014. Those members of the board elected thereto from Education Districts 1, 3, and 5 in 2014 shall take office the first day of January immediately following that election and shall serve for initial terms of office which expire December 31, 2018, and upon the election and qualification of their respective successors. The first members from Education Districts 2 and 4 shall be elected at the general election on the Tuesday next following the first Monday in November, 2012. Those members of the board elected thereto from Education Districts 2 and 4 in 2012 shall take office the first day of January immediately following that election and shall serve for initial terms of office which expire December 31, 2016, and upon the election and qualification of their respective successors. Those and all future successors to members of the board whose terms of office are to expire shall be elected at the time of the state-wide general election immediately preceding the expiration of such terms, shall take office the first day of January immediately following that election, and shall serve for terms of office of four years each. Members of the board shall serve for the terms of office specified therefor in this subsection and until their respective successors are elected and qualified.

(f) Education Districts 1 through 5, as they exist immediately prior to the effective date of this Act, shall continue to be designated as Education Districts 1 through 5, respectively, but as newly described under this Act, and on and after the effective date of this Act, such members of the board serving from those former education districts shall be deemed to be serving from and representing their respective districts as newly described under this Act."

An Act to continue the charter for the Academy of Social Circle and to create a body politic known as the School District of Social Circle, approved April 29, 1997 (Ga. L. 1997, p. 4557), is amended by revising subsections (b), (c), and (d) of Section 3 and adding a new subsection to read as follows:

"(b) The Board of Education of Social Circle shall consist of five members, all of whom shall be elected from education districts described in subsection (c) of this section except for the member who is the chairperson who shall be elected at large as provided in this Act.

(c) For the purpose of electing members of the board of education other than the chairperson, the Social Circle School District is divided into four education districts. One member shall be elected from each such district. The four education districts shall be and correspond to those four numbered districts described in and attached to and

made a part of this Act and further identified as 'Plan: soccirsb-2012 Plan Type: Local Administrator: Social Circle SB User: Gina'.

(d)(1) For the purposes of such plan:

(A) The term 'VTD' shall mean and describe the same geographical boundaries as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia. The separate numeric designations in a district description which are underneath a VTD heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia; and

(B) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2010 for the State of Georgia.

(2) Any part of the Social Circle School District which is not included in any district described in subsection (c) of this section shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia.

(3) Any part of the Social Circle School District which is described in subsection (c) of this section as being included in a particular district shall nevertheless not be included within such district if such part is not contiguous to such district. (e) Those members of the Board of Education of Social Circle who are serving as such immediately prior to the effective date of this subsection and any person selected to fill a vacancy in any such office shall continue to serve as such members until the regular expiration of their respective terms of office and upon the election and qualification of their respective successors. Education Districts 1 through 4, as they exist immediately prior to the effective date of this subsection, shall continue to be designated as Education Districts 1 through 4, respectively, but as newly described under this Act; and, on and after the effective date of this subsection, such members of the board serving from those former education districts shall be deemed to be serving from and representing their respective districts as newly described under this Act."

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

An Act to amend and supersede the laws pertaining to the governing authority of Lowndes County, approved March 15, 2011 (Ga. L. 2011, p. 3508), is amended by revising Section 3 as follows:

"SECTION 3.

(a) On and after January 1, 2013, the board shall consist of six members, five of whom shall be elected from commissioner districts described in subsection (b) of this section and the sixth of whom shall be the chairperson who is elected at large.

(b) For purposes of electing members of the board other than the chairperson, there are hereby created five commissioner districts for Lowndes County. For purposes of creating Commissioner Districts 1, 2, and 3, Lowndes County is divided into three commissioner districts. One member of the board shall be elected from each such district. Commissioner Districts 1, 2, and 3 shall be and correspond to those three numbered districts as described in the districting plan attached to and made a part of this Act and further identified as 'Plan: lowndescp1R-2012 Plan Type: Local Administrator: Lowndes User: Gina'. For purposes of creating Commissioner Districts 4 and 5, Lowndes County is divided into two commissioner districts which shall overlay Commissioner Districts 1, 2, and 3. One member of the board shall be elected from each such district. Commissioner Districts 4 and 5 shall be and correspond to those two numbered districts as described in the districting plan attached to and made a part of this Act and further identified as 'Plan: lowndescsupprop1-Tiger2010 Plan Type: LOCAL Administrator: JM User: Admin'.

(c)(1) For the purposes of such plans:

The separate numeric designations in a district description which are underneath a 'VTD' heading shall mean and describe individual Blocks within a VTD as provided in the report of the Bureau of the Census for the United States decennial census of 2010 for the State of Georgia; and
(B) Except as otherwise provided in the description of any district, whenever the description of any district refers to a named city, it shall mean the geographical boundaries of that city as shown on the census maps for the United States decennial census of 2010 for the State of Georgia.

(2) Any part of Lowndes County which is not included in Commissioner District 1, 2, or 3 as described in that attachment describing Commissioner Districts 1, 2, and 3 shall be included within that district contiguous to such part which contains the least population according to the United States decennial census of 2010 for the State of Georgia. That, after the Georgia Department of Transportation has put into use the road improvements this easement is granted for, a subsequent abandonment of the use thereof shall cause a reversion to the State of Georgia, or its successors and assigns, of all the rights, title, privileges, powers, and easement granted herein. Upon abandonment, the Georgia Department of Transportation, or its successors and assigns, shall have the option of removing their facilities from the easement area or leaving the same in place, in which event the road improvements shall become the property of the State of Georgia, or its successors and assigns.

Upon written request, the State Properties Commission, in its sole discretion, may permit the relocation of the facilities to an alternate site on state owned land so long as the removal and relocation is paid by the party or parties requesting such removal and at no cost and expense to the State of Georgia. If an easement is relocated for any reason, the State Properties Commission is authorized to convey by quit claim deed this state's interest in the former easement area.

SECTION 23.

That the easement granted to Georgia Department of Transportation shall contain such other reasonable terms, conditions, and covenants as the State Properties Commission shall deem in the best interest of the State of Georgia and that the State Properties Commission is authorized to use a more accurate description of the easement area, so long as the description utilized by the State Properties Commission describes the same easement area herein granted.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to elementary and secondary education is amended by revising subsection (c) of Code Section 20-2-210, relating to annual performance evaluations of personnel employed by local education units for purposes of quality basic education, as follows:

"(c)(1) In making a determination of the academic gains of the students assigned to a teacher, evaluators should make every effort to have available and to utilize the results of a wide range of student achievement assessments, including those utilized by the teacher, set by the local board of education, or required under this article. It is recognized that in some instances a determination of the academic gains of the students assigned to a teacher is dependent upon student assessments which have not yet been administered at the time of the annual evaluation or, if they have been administered, the results of which are not yet available at the time of the annual evaluation. In such instances, the annual teacher evaluation shall be performed on the basis of information available at the time and shall be considered as the annual evaluation for the purposes of this article. As results of student assessments subsequently become available, an addendum to the annual evaluation shall be completed and become part of the teacher's cumulative evaluative record which may be used in a teacher's subsequent annual evaluations.

(2) A teacher or other certificated professional personnel's salary increase or bonus that is based in whole or in part on an evaluation which included student assessment results, standardized test scores, or standardized test answers that were falsified by such teacher or professional or known or caused by such teacher or professional to have been falsified shall be automatically forfeited. A teacher or other certificated professional personnel shall forfeit his or her right or interest in such salary increase or bonus and shall be liable for the repayment of any and all amounts previously paid to him or her based, in whole or in part, on the results of falsified student assessment results, falsified standardized test scores, or falsified standardized test answers."

The members of the committee shall serve two-year terms concurrent with their terms as members of the General Assembly. A cochairperson of the committee shall be appointed by the President of the Senate from the membership of the committee, and a cochairperson of the committee shall be

appointed by the Speaker of the House from the membership of the committee. The cochairpersons shall serve terms of two years concurrent with their terms as members of the General Assembly. The cochairpersons shall each be authorized to appoint no more than two ex officio members of the committee. Vacancies in an appointed member's position or in the offices of cochairperson of the committee shall be filled for the unexpired term in the same manner as the original appointment. The committee shall advise the General Assembly regarding the agency sunset provisions required by this article.

(b) The Senate and the House of Representatives, in cooperation with the office of the Governor, may each employ staff to work for the cochairpersons of the committee on matters related to committee activities.

(c) In carrying out its function under this article, the committee may request, through the cochairpersons, the assistance of any state agency or office. When so requested, a state agency or office shall assist the committee. The committee or its designated staff member may inspect, review, and copy the records, documents, and files of any state agency that are subject to public disclosure. All information subject to public disclosure shall be made available for review and copying within three business days.

50-4-22.

(a)(1) The Legislative Sunset Advisory Committee shall review all state agencies, including all boards, departments, advisory committees, authorities, bureaus, offices, and any other state entity of the executive branch of state government regardless of its designation. The committee shall be responsible for establishing a schedule for the routine review of state agencies. It shall be the responsibility of the Legislative Sunset Advisory Committee to schedule agency reviews. The Legislative Sunset Advisory Committee shall have the discretion to add any agency to the review schedule or to modify an agency's scheduled review.

(2) This article shall not apply to any state entity to which state funds are not appropriated in an appropriations Act.

(b) Except as provided by this Code section, an agency subject to review by the Legislative Sunset Advisory Committee shall be automatically abolished on the one-year anniversary of the committee's decision recommending that such agency be abolished; provided, however, that no agency shall be abolished unless or until the General Assembly finds by adoption of a joint resolution that the state laws that the agency is responsible for implementing or enforcing have been repealed, revised, or reassigned to another remaining agency and that adequate provision has been made for the transfer from the abolished agency to a successor agency of all duties, real property, debts, and obligations, including those relating to bonds, loans, promissory notes, lease-purchase agreements, installment sales contracts, financing agreements, or any other form of indebtedness such that security therefor and the rights of bondholders or holders of other indebtedness are not impaired.

(c) If the General Assembly does not take action to continue an agency before the date of its abolishment, the agency shall submit its legislative budget request consistent with

the recommendations of the review of the Legislative Sunset Advisory Committee or any law transferring the agency's functions to other entities.

(d) Any agency established by constitutional provision shall not be subject to automatic abolishment as provided in subsection (a) of this Code section. The committee shall review the constitutionally established agency in the same manner and shall report to the General Assembly any recommended constitutional amendments needed for the reorganizing or abolishing of such constitutionally created agency.

(e) Any board, commission, advisory council, or similar body included in the term 'agency' as defined in Code Section 50-4-1 that has not held an open public meeting for a period of more than 12 months shall be considered automatically abolished without the need for further agency review as required by this article. The committee shall be responsible for presenting legislation to repeal existing statutory provisions relating to the abolished agency. The committee shall give public notice of any proposed legislation not later than the first day of December of the year preceding its introduction.

(f) Except as otherwise expressly provided by law, abolition of a state agency shall not affect the rights and duties that matured, penalties that were incurred, civil or criminal liabilities that arose, or proceedings that were begun before the abolition.

50-4-23.

(a) Not later than six months prior to the date on which a state agency is scheduled to be reviewed, the agency shall provide the Legislative Sunset Advisory Committee with a report outlining the agency's efficiency and productivity and the extent to which the agency utilizes state resources to best meet the needs of the public.

(b) The report required by this Code section shall, at a minimum, include the following:

(1) A comprehensive list of state programs and services performed by the agency, including all special purpose activities undertaken to realize identifiable goals and objectives in order to achieve the agency's mission and legislative intent;

(2) An accounting of state resources appropriated to and spent by the agency;

(3) An explanation of factors that have contributed to any failure to achieve legislated standards or directives;

(4) The extent to which the agency has encouraged participation by the public in making its rules and decisions and the extent to which public participation has resulted in rules compatible with the objectives of the agency;

(5) A statement of any statutory objectives intended for each program and activity, the problem or need that the program or activity is intended to address, and the extent to which these objectives have been achieved;

(6) An assessment of the extent to which the jurisdiction of the agency and its programs overlap or duplicate those of other agencies and the extent to which those programs can be eliminated, reorganized, privatized, or consolidated with those of other agencies;

- (7) A self-examining assessment of the agency's efficiency and areas of needed improvement, including goals and objectives for improvement, and the means by which the agency intends to meet these goals and objectives;
 - (8) Recommendations for statutory or budgetary changes that would improve the agency's programs and operations, reduce costs, or improve services to state residents;
 - (9) The effect of federal intervention or loss of federal funds if the agency, or any of its programs or activities, is abolished;
 - (10) An assessment of alternative methods of providing services for which the agency is responsible that would reduce costs or improve performance while adequately protecting the public interest;
 - (11) An assessment of the agency and its programs to determine whether the agency or its programs should be eliminated, reorganized, privatized, or consolidated;
 - (12) A detailed summary of the agency's hiring and retention patterns for the previous five years;
 - (13) An assessment of the extent to which the agency has corrected any deficiencies and implemented recommendations contained in any state or federal audits or court decisions;
 - (14) A list of all advisory committees and boards of the agency, whether established in statute or by the agency; their purposes, activities, composition, and expenses; and an assessment of the extent to which their purposes have been achieved and the rationale for continuing or eliminating each advisory committee or board;
 - (15) A list of agency programs or functions that are performed without specific statutory authority;
 - (16) Copies of any program audits, performance audits, and any other reports provided by the state auditor;
 - (17) A list and summary of all litigation in which the agency is engaged and the status of such cases, including assessments of any financial liability to which they expose the state; and
 - (18) Other information as requested by the committee or any study committee created under the committee's direction.
- (c) Information and data reported by the agency shall be validated by the agency's chief executive before submission to the committee.

50-4-24.

- (a) Not later than six months following receipt of the agency's report required by Code Section 50-4-23, the Legislative Sunset Advisory Committee shall complete its review of the agency. When conducting its agency review the committee shall:
- (1) Review the information submitted by the agency;
 - (2) Consult with or hear testimony from any individual, agency, private company, or other expert as needed;
 - (3) Hold public hearings to consider this information as well as testimony that the committee deems necessary; and

(4) Present to the President of the Senate, the Speaker of the House of Representatives, and the Governor a report on the agencies scheduled to be reviewed that year by the committee. In the report, the committee shall include its specific findings and recommendations regarding each agency review and indicate whether a public need exists for the continuation of a state agency or for the functions of the agency.

(b) The committee shall consider the following criteria in determining whether a public need exists for the continuation of a state agency or agency function:

(1) The efficiency with which the agency operates;

(2) The statutory objectives of the agency and the problem or need that the agency is intended to address, the extent to which the objectives have been achieved, and any activities of the agency in addition to those granted by statute and the authority for these activities;

(3) An assessment of less restrictive or alternative methods of providing any regulatory function for which the agency is responsible while adequately protecting the public;

(4) The extent to which an advisory committee or board is needed or used;

(5) The extent to which the jurisdiction of the agency and the programs administered by the agency overlap or duplicate those of other agencies and the extent to which the programs administered by the agency can be consolidated with the programs of other agencies;

(6) Whether the agency has recommended to the legislature statutory changes calculated to be of benefit to the public;

(7) The promptness and effectiveness with which the agency responds to the public's complaints and the extent to which the agency has encouraged participation by the public in making its rules and decisions;

(8) The extent to which the agency has satisfied requirements of state law, safeguarded public health, safety, and welfare, and utilized state resources;

(9) The extent to which the agency accurately reports performance measures used to justify state spending on each of its activities, services, and programs;

(10) The extent to which the agency is reasonably deemed to be a core or essential function of state government under the provisions of the Constitution of Georgia;

(11) The effect of probable federal intervention or loss of federal funds if the agency or an agency function is abolished; and

(12) The extent to which changes are necessary in the enabling statutes of the agency so that the agency can adequately comply with the criteria of this article.

(c) In its report on an agency, the committee shall make recommendations on the abolition, continuation, or reorganization of such agency and on the need for the continuation of the functions of the agency. The report shall also make recommendations on the elimination, privatization, consolidation, transfer, or reorganization of an agency's programs when those programs are duplicated by another agency.

(d) It shall be the responsibility of the committee to prepare drafts of legislation necessary to carry out the committee's recommendations."
