A RESOLUTION creating the Joint Study Committee on the Georgia Alcoholic Beverage Code; and for other purposes.

The following Committee substitute was read and adopted:

#### A RESOLUTION

Creating the House Study Committee on the Georgia Alcoholic Beverage Code; and for other purposes.

WHEREAS, following the repeal of Prohibition, the states were given responsibility for the regulation of alcoholic beverages; and

WHEREAS, the State of Georgia elected a license model of alcohol distribution allowing private businesses to operate as manufacturers, wholesalers, and retailers under a framework of "tied-house" laws designed to ensure the separation of the retail segment from alcohol suppliers and distributors under a control structure known as the "three-tier" system; and

WHEREAS, as a result, the manufacture, sale, and possession of alcohol in Georgia is subject to a myriad of complex laws and rules and regulations; and

WHEREAS, the malt beverage, wine, and distilled spirits industry has changed substantially since the three-tier laws were enacted; and

WHEREAS, certain provisions of Title 3 of the Official Code of Georgia Annotated, the "Georgia Alcoholic Beverage Code," have undergone many revisions over years while others have not been revised in decades; and

WHEREAS, consequently, in many places there are undefined terms, outdated terminology, obsolete provisions, inconsistent references, and other matters in need of review; and

WHEREAS, a comprehensive review of Title 3 of the Official Code of Georgia Annotated and other provisions relating to alcoholic beverages is necessary in order to study and identify any reforms necessary to provide for and maintain an effective and

efficient Code that will promote public safety, provide clear guidance to those in the industry, and afford those who regulate and enforce the Code the necessary tools to effectively do so; and

WHEREAS, it is time that a careful study be conducted of the Georgia Alcoholic Beverage Code regarding what changes are needed to address these issues.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES that there is created the House Study Committee on the Georgia Alcoholic Beverage Code to be composed of five members of the House of Representatives to be appointed by the Speaker of the House of Representatives. Such members shall include the Chairperson of the House Committee on Regulated Industries and at least two other members of the House Committee on Regulated Industries. The chairperson of the House Committee on Regulated Industries shall serve as chairperson of the committee. The committee shall meet at the call of the chairperson.

BE IT FURTHER RESOLVED that the committee shall undertake a comprehensive study and review of the conditions, needs, issues, and problems mentioned above or related thereto and shall include in its final report any recommendations for changes to the Georgia Alcoholic Beverage Code. The committee may conduct its meetings at such places and at such times as it may deem necessary or convenient to enable it to exercise fully and effectively its powers, perform its duties, and accomplish the objectives and purposes of this resolution. The committee is authorized to appoint subcommittees if the appointment of such subcommittees would allow a more expeditious and effective study of the issues. The legislative members of the committee shall receive the allowances authorized for legislative members of interim legislative committees from the funds appropriated to the House of Representatives but shall receive the same for not more than five days unless additional days are authorized. The committee is directed to make a report of its findings and recommendations, with suggestions for proposed legislation, if any, not later than December 1, 2014. The committee shall stand abolished on December 1, 2014.

A physician's certificate shall expire seven days after it is executed. Any peace officer, within 72 hours after receiving such certificate, shall make diligent efforts to take into custody the person named in the certificate and to deliver him or her forthwith to the nearest available emergency receiving facility serving the county in which the patient is found, where he or she shall be received for examination.

(b) The appropriate court of the county in which a person may be found may issue an order commanding any peace officer to take such person into custody and deliver him or her forthwith for examination, either to the nearest available emergency receiving facility serving the county in which the patient is found, where such person shall be received for examination, or to a physician who has agreed to examine such patient and who will provide, where appropriate, a certificate pursuant to subsection (a) of this Code section to permit delivery of such patient to an emergency receiving facility pursuant to subsection (a) of this Code section. Such order may only be issued if based either upon an unexpired physician's certificate, as provided in subsection (a) of this Code section, or upon the affidavits of at least two persons who attest that, within the preceding 48 hours, they have seen the person to be taken into custody and that, based upon observations contained in

their affidavit, they have reason to believe such person is a mentally ill person requiring involuntary treatment. The court order shall expire seven days after it is executed.

The report and either the physician's certificate or court order authorizing such taking into custody shall be made a part of the patient's clinical record.

(d) Any psychologist, clinical social worker, licensed professional counselor, or clinical nurse specialist in psychiatric/mental health may perform any act specified by this Code section to be performed by a physician. Any reference in any part of this chapter to a physician acting under this Code section shall be deemed to refer equally to a psychologist, a clinical social worker, a licensed professional counselor, or a clinical nurse specialist in psychiatric/mental health acting under this Code section. ***Section 55: Budgetary Control and Interpretation***

**The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. For authorizations for general obligation debt in Section 50, the indented, bold-faced paragraphs following each Bond number are the lowest level of detail and constitute appropriations in accordance with Article VII, Section IV, Paragraph III(a)(1) of the Georgia Constitution. The caption above the Bond number, the light-faced text immediately following the Bond number before the bold-faced text, and the light-faced after the bold-faced text are information only.**

**Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement**

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid," "Medicaid: Aged, Blind, and Disabled," and "PeachCare" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added.
