The following Committee substitute was read and adopted:

A BILL TO BE ENTITLED
AN ACT

To amend Article 6 of Chapter 11 of Title 31 of the Official Code of Georgia Annotated, relating to the "Coverdell-Murphy Act," so as to update the current system of levels of certified stroke centers to reflect advances in stroke treatment and therapy; to authorize the Department of Public Health to establish additional levels; to provide for national certification; to provide for rules and regulations to implement the provisions of this Act; to provide for related matters; to provide for an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 6 of Chapter 11 of Title 31 of the Official Code of Georgia Annotated, relating to the "Coverdell-Murphy Act," is amended as follows:

"ARTICLE 6

31-11-110.

The General Assembly finds and declares that:

(1) The rapid identification, diagnosis, and treatment of stroke can save the lives of stroke ~~victims~~ patients and in some cases can reverse neurological damage such as paralysis and speech and language impairments, leaving stroke ~~victims~~ patients with few or no neurological deficits;

(2) Despite significant advances in diagnosis, treatment, and prevention, stroke is the ~~third~~ fifth leading cause of death and the ~~biggest~~ number one cause of disability in this country; an estimated ~~700,000 to 750,000~~ 800,000 new and recurrent strokes occur each year in this country and with the aging of the population, the number of persons who have strokes is projected to increase;

(3) Although new treatments are available to improve the clinical outcomes of stroke, many acute care hospitals often face challenges in obtaining staff and equipment required to optimally triage and treat stroke patients, including the provision of optimal, safe, and effective emergency care for these patients;

(4) Although the Georgia Coverdell Acute Stroke Registry currently exists within the Department of Public Health as a program whose purpose is to increase improvement of the quality of acute stroke care through collaborative efforts with participating hospitals in this state, less than one-third of Georgia's hospitals are currently enrolled in the program. Therefore increased participation in and funding of this program in conjunction with the adherence to the tenets of this article would have profound effects on the quality of care for acute stroke ~~victims~~ patients in this state;

(5) An effective system to support stroke survival is needed in our communities in order to treat stroke ~~victims~~ patients in a timely manner and to improve the overall treatment of stroke ~~victims~~ patients in order to increase survival and decrease the disabilities associated with stroke. There is a public health need for acute care hospitals in this state to establish stroke centers to ensure the rapid triage, diagnostic evaluation, and treatment of patients suffering a stroke;

(6) ~~Two~~ At least three levels of stroke centers should be established for the treatment of acute stroke:

(A) Comprehensive stroke centers should be established in hospitals to provide complete and specialized care to patients who experience the most complex strokes, which require specialized testing, highly technical procedures, and other interventions and to provide education and guidance to primary and remote treatment stroke centers;

(B) Primary stroke centers should be established in as many acute care hospitals as possible to evaluate, stabilize, and provide or arrange for treatment, care, and rehabilitative services to patients diagnosed with acute stroke; and

~~(B)(C) Because access to stroke care is limited in the rural areas of the state due to the limited availability of professional specialists, high-tech imaging equipment, and transportation services, remote~~ Remote treatment stroke centers should be established to evaluate, stabilize, and provide treatment to patients diagnosed with acute stroke in rural ~~portions~~ and other underserved areas of the state, because access to stroke care is limited in these areas due to the limited availability of professional specialists, high-tech imaging equipment, and transportation services;

(7) Coordination between ~~primary stroke centers and remote treatment~~ stroke centers should be encouraged through the establishment of coordinated stroke care agreements ~~between primary stroke centers and remote treatment stroke centers;~~ and

(8) Therefore, it is in the best interest of the residents of this state to establish a program to identify certified stroke centers throughout the state, to provide specific patient care and support services criteria that stroke centers must meet in order to ensure that stroke ~~victims~~ patients receive safe and effective care, and to provide financial support to acute care hospitals to encourage them to develop stroke centers in all areas of the state. Further, it is in the best interest of the people of this state to modify the state's emergency medical response system to assure that stroke ~~victims~~ patients may be quickly identified and transported to and treated in facilities that have specialized programs for providing timely and effective treatment for stroke ~~victims~~ patients.

31-11-111.

As used in this article, the term 'department' means the same state agency or state board which regulates emergency medical services personnel and providers pursuant to this chapter.

SECTION 3.

Said chapter is further amended by revising Code Section 33-37-51, relating to title to property of insurer domiciled in reciprocal or nonreciprocal state, date of vesting in domiciliary liquidator or Commissioner, rights of resident claimants, as follows:

"33-37-51.

(a) The domiciliary liquidator of an insurer domiciled in a ~~reciprocal~~ another state shall, except as to special deposits and security on secured claims under subsection (c) of Code Section 33-37-52, be vested by operation of law with the title to all of the assets, property, contracts and rights of action, agents' balances, and all of the books, accounts, and other records of the insurer located in this state. The date of vesting shall be the date of the filing of the petition, if that date is specified by the domiciliary law for the vesting of property in the domiciliary state. Otherwise, the date of vesting shall be the date of entry of the order directing possession to be taken. The domiciliary liquidator shall have the immediate right to recover balances due from agents and to obtain possession of the books, accounts, and other records of the insurer located in this state. He or she also shall have the right to recover all other assets of the insurer located in this state, subject to the provisions of Code Section 33-37-52.

~~(b) If a domiciliary liquidator is appointed for an insurer not domiciled in a reciprocal state, the Commissioner of this state shall be vested by operation of law with the title to all of the property, contracts, and right of action and all of the books, accounts, and other records of the insurer located in this state at the same time that the domiciliary liquidator is vested with title in the domicile. The claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceedings."

SECTION 4.

Said chapter is further amended by revising Code Section 33-37-52, relating to commissioner as ancillary receiver for insurer not domiciled in this state, as follows:

"33-37-52.

(a) If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the Commissioner may file a petition with the superior court requesting appointment as ancillary receiver in this state:

(1) If he or she finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver; or

(2) If the protection of creditors or policyholders in this state so requires.

(b) The court may issue an order appointing an ancillary receiver in whatever terms it shall deem appropriate. The filing or recording of the order with the appropriate clerk of the superior court in this state imparts the same notice as a deed, bill of sale, or other evidence of title duly filed or recorded with the clerk.

(c) When a domiciliary liquidator has been appointed in a ~~reciprocal~~ another state, then the ancillary receiver appointed in this state may, whenever necessary, aid and assist the

domiciliary liquidator in recovering assets of the insurer located in this state. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state and shall pay the necessary expenses of the proceedings. He or she shall promptly transfer all remaining assets, books, accounts, and records to the domiciliary liquidator or his or her designee, at the direction of the domiciliary liquidator. Subject to this Code section, the ancillary receiver and his or her deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.

(d) When a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in ~~reciprocal~~ other states shall have, as to assets and books, accounts, and other records in their respective states, corresponding rights, duties, and powers to those provided in subsection (c) of this Code section for ancillary receivers appointed in this state.

(e) If the Commissioner elects not to file a petition with the superior court requesting appointment as ancillary receiver in this state pursuant to subsection (a) of this Code section, the Commissioner may, notwithstanding the provisions of Code Sections 33-3-8 through 33-3-10 and Code Sections 33-12-8 and 33-12-9, transfer title and possession of all special deposits under his or her control to the domiciliary liquidator or his or her designee, at the direction of the domiciliary liquidator. Prior to transferring title and possession of such special deposits, the Commissioner may require the domiciliary liquidator to agree, in writing, to handle such deposits and special deposit claims in accordance with the statutes pursuant to which the special deposits were required and to any other requirements deemed necessary by the Commissioner."

SECTION 5.

Said chapter is further amended by revising Code Section 33-37-54, relating to rights of nonresident claimants in proceeding against domiciliary insurer, as follows:

"33-37-54.

(a) In a liquidation proceeding begun in this state against an insurer domiciled in this state, claimants residing in foreign countries or in other states ~~not reciprocal states~~ where an ancillary receiver has not been appointed must file claims in this state, and claimants residing in ~~reciprocal~~ other states where an ancillary receiver has been appointed may file claims either with the ancillary receivers, ~~if any,~~ in their respective states or with the domiciliary liquidator. Claims must be filed on or before the last date fixed for the filing of claims in the domiciliary liquidation proceeding.

(b) Claims belonging to claimants residing in ~~reciprocal~~ other states where an ancillary receiver has been appointed may be proved either in the liquidation proceeding in this state as provided in this chapter or in ancillary proceedings, ~~if any,~~ in the ~~reciprocal~~ other states. If notice of the claims and opportunity to appear and be heard is afforded the domiciliary liquidator of this state as provided in subsection (b) of Code Section 33-37-55 with respect to ancillary proceedings, the final allowance of claims by the courts in ancillary proceedings in ~~reciprocal~~ other states shall be conclusive as to amount and as to

priority against special deposits or other security located in such ancillary states, but shall not be conclusive with respect to priorities against general assets under Code Section 33-37-41."

SECTION 6.

Said chapter is further amended by revising Code Section 33-37-55, relating to rights of resident claimants in proceeding in reciprocal state against nondomiciliary insurer, as follows:

"33-37-55.

(a) In a liquidation proceeding in a ~~reciprocal~~ another state against an insurer domiciled in that state, claimants against the insurer who reside within this state may file claims either with the ancillary receiver, if any, in this state or with the domiciliary liquidator. Claims must be filed on or before the last dates fixed for the filing of claims in the domiciliary liquidation proceeding.

(b) Claims belonging to claimants residing in this state may be proved either in the domiciliary state under the law of that state or in ancillary proceedings, if any, in this state. If a claimant elects to prove his or her claim in this state, he or she shall file ~~his~~ such claim with the ~~liquidator~~ ancillary receiver in the manner provided in Code Sections 33-37-34 and 33-37-35. The ancillary receiver shall make his or her recommendation to the court as under Code Section 33-37-42. He or she shall also arrange a date for hearing if necessary under Code Section 33-37-38 and shall give notice to the liquidator in the domiciliary state, either by certified mail or statutory overnight delivery or by personal service at least 40 days prior to the date set for hearing. If the domiciliary liquidator, within 30 days after the giving of such notice, gives notice in writing to the ancillary receiver and to the claimant, either by certified mail or statutory overnight delivery or by personal service, of his or her intention to contest the claim, he or she shall be entitled to appear or to be represented in any proceeding in this state involving the adjudication of the claim.

(c) ~~The~~ If a claimant files a claim in this state with the ancillary receiver, the final allowance of the claim by the courts of this state shall be accepted as conclusive as to amount and as to priority against special deposits or other security located in this state."

SECTION 7.

Said chapter is further amended in Code Section 33-37-57, relating to superiority of order of distribution issued by domiciliary state, priority of payment and claims, and rights of secured creditors, by revising subsection (a) as follows:

"(a) In a liquidation proceeding in this state involving one or more ~~reciprocal~~ other states, the order of distribution of the domiciliary state shall control as to all claims of residents of this and ~~reciprocal~~ other states. All claims of residents of ~~reciprocal~~ other states shall be given equal priority of payment from general assets regardless of where such assets are located."

SECTION 8.

Section 53: Refunds

In addition to all other appropriations, there is hereby appropriated, as needed, a specific sum of money equal to each refund authorized by law, which is required to make refunds of taxes and other monies collected in error, farmer gasoline tax refunds, and any other refunds specifically authorized by law.

Section 54: Leases

In accordance with the requirements of Article IX, Section III, Paragraph I(a) of the Constitution of the State of Georgia, as amended, there is hereby appropriated payable to each department, agency, or institution of the State sums sufficient to satisfy the payments required to be made in each year under existing lease contracts between any department, agency, or institution of the State and any authority created and activated at the time of the effective date of the aforesaid constitutional provision, as amended, or appropriated for the State Fiscal Year addressed within this Act. If for any reason any of the sums herein provided under any other provision of this Act are insufficient to make the required payments in full, then there shall be taken from other funds appropriated to the department, agency, or institution involved an amount sufficient to satisfy such deficiency in full, and the lease payment shall constitute a first charge on all such appropriations.

Section 55: Budgetary Control and Interpretation

The appropriations in this Act consist of the amount stated in the right-most column, for each line at the lowest level of detail for the fund source categories, "Total State Funds" and "Total Federal Funds," under a caption beginning with a program or special project number that has a 100 or a higher number after the decimal and a program or special project name. In each case, such appropriation is associated with the immediately preceding program or special project name, number, and statement of program or special project purpose. The program or special project purpose is stated immediately below the program or special project name. For authorizations for general obligation debt in Section 50, the indented, bold-faced paragraphs following each Bond number are the lowest level of detail and constitute appropriations in accordance with Article

VII, Section IV, Paragraph III(a)(1) of the Georgia Constitution. The caption above the Bond number, the light-faced text immediately following the Bond number before the bold-faced text, and the light-faced after the bold-faced text are information only.

Similarly, text in a group of lines that has a number less than 100 after the decimal (01 through 99) is not part of a statement of purpose but constitutes information as to how the appropriation was derived. Amounts in the columns other than the right-most column are for informational purposes only. The summary and lowest level of detail for the fund source categories "Total Agency Funds" and "Total Intra-State Governmental Transfers," are for informational purposes only. The blocks of text and numerals immediately following the section header and beginning with the phrases, "Section Total - Continuation" and "Section Totals - Final" are for informational purposes only. Sections 51, 52, 53 and 54 contain, constitute, or amend appropriations.

Section 56: Flex

Notwithstanding any other statement of purpose, the purpose of each appropriation of federal funds or other funds shall be the stated purpose or any other lawful purpose consistent with the fund source and the general law powers of the budget unit.

In the preceding sentence, "Federal Funds" means any federal funding source, whether specifically identified or not specifically identified; "Other Funds" means all other fund sources except State Funds or Federal Funds, including without limitation Intra-State Government Transfers. This paragraph shall not permit an agency to include within its flex the appropriations for an agency attached to it for administrative purposes.

For purposes of the appropriations for the "Medicaid: Low-Income Medicaid," "Medicaid: Aged, Blind, and Disabled," and "PeachCare" programs of the Department of Community Health, the appropriation of a particular State fund source for each program shall be the amount stated, and each such program shall also be authorized up to an additional amount of 10 percent (10%) of the amount stated. However, if the additional authority is used, the appropriation of the same State fund source for the other programs to that agency shall be reduced in the same amount, such that the stated total in program appropriations from that State fund source for the three programs shall not be exceeded. However, the additional amount shall be from a State fund source which is lawfully available for the program to which it is added."

Part II: Effective Date

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

Part III: Repeal Conflicting Laws

All laws and parts of laws in conflict with this Act are repealed.

The following amendment was read and adopted:

A BILL TO BE ENTITLED
AN ACT

To amend Article 2 of Chapter 13 of Title 16 of the Official Code of Georgia Annotated, relating to regulation of controlled substances, so as to change provisions relating to possession of substances containing ephedrine, pseudoephedrine, and phenylpropanolamine and restrictions on sales of products containing pseudoephedrine; to provide for real-time tracking of sales of products containing ephedrine or pseudoephedrine; to provide for definitions; to revise provisions relating to exceptions; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Article 2 of Chapter 13 of Title 16 of the Official Code of Georgia Annotated, relating to regulation of controlled substances, is amended by revising Code Section 16-13-30.3, relating to possession of substances containing ephedrine, pseudoephedrine, and phenylpropanolamine and restrictions on sales of products containing pseudoephedrine, as follows:

"16-13-30.3.

(a) As used in this Code section, the term:

(1) 'Ephedrine,' or 'pseudoephedrine,' ~~or 'phenylpropanolamine'~~ means any drug product containing ephedrine, or pseudoephedrine, ~~or phenylpropanolamine,~~ or any of their salts, isomers, or salts of isomers, alone or in a mixture.

(2) ~~'Personal use' means the sale in a single transaction to an individual customer for a legitimate medical use of a product containing ephedrine, pseudoephedrine, or phenylpropanolamine in quantities at or below that specified in subsection (b) of this Code section, and includes the sale of those products to employers to be dispensed to employees from first aid kits or medicine chests.~~

(3) ~~'Retail distributor' means a grocery store, general merchandise store, drugstore, convenience store, or other related entity, the activities of which involve the distribution of ephedrine, pseudoephedrine, or phenylpropanolamine products.~~

(2) 'Georgia Meth Watch' means the program entitled Georgia Meth Watch or a similar program which has been promulgated, approved, and distributed by the Georgia Council on Substance Abuse.

(3) 'Pharmacy' has the same meaning as in Code Section 26-4-5.

(4) 'Real-time electronic logging system' means an electronic system approved by the Georgia Bureau of Investigation which is operated in real time and which can track required information and generate a stop sale alert to notify a pharmacy that a purchase of ephedrine or pseudoephedrine which exceeds the quantity limits set forth in this Code section is being attempted. Such system shall:

(A) Contain an override function that will not only allow a pharmacy to complete a sale in violation of this Code section when the person making the sale is in reasonable fear of imminent bodily harm if he or she does not complete the sale but also will track any override sales made;

(B) Be accessible to the state, pharmacies, and law enforcement agencies, without a charge or fee, including a transaction fee; and

(C) Have real-time interstate communicability with similar systems in other states.

(5) 'Required information' means the full name and address of the purchaser; the type of government issued photographic identification presented, including the issuer and identification number; a description of the nonprescription product purchased which contains ephedrine or pseudoephedrine, including the number of grams of pseudoephedrine in the product; and the date and time of the purchase.

~~(b)(1) It is shall be unlawful for any person, other than a person or entity described in paragraph (22), (28), (29), (30), or (33), or (41) of Code Section 26-4-5 or a retail distributor, to knowingly possess any product that contains ephedrine, or pseudoephedrine, or phenylpropanolamine in an amount which exceeds 300 pills, tablets, gelcaps, capsules, or other individual units or more than 9 grams of ephedrine, or pseudoephedrine, or phenylpropanolamine, their salts, isomers, or salts of isomers, or a combination of any of these substances, whichever is smaller.~~

~~(2) It shall be unlawful for any person to possess any amount of a substance set forth in this Code section product containing ephedrine or pseudoephedrine with the intent to manufacture amphetamine or methamphetamine.~~

~~(3) Any person who violates the provisions of this Code section subsection shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than one year nor more than ten years.~~

~~(b.1)(c)(1) Products whose sole active ingredient is pseudoephedrine may be offered for retail sale only if sold in blister packaging. Such products may not be offered for retail sale by self service but only from behind a counter or other barrier so that such products are not directly accessible by the public but only by a retail store employee or agent. Nonprescription products whose sole active ingredient is ephedrine or pseudoephedrine shall only be sold in a pharmacy in a manner which complies with State Board of Pharmacy rules established pursuant to Code Section 16-13-29.2.~~

~~(2) No person shall deliver in any single over the counter sale more than three packages of any product containing pseudoephedrine as the sole active ingredient or in combination with other active ingredients or any number of packages that contain a combined total of more than nine grams of pseudoephedrine or its base, salts, optical isomers, or salts of its optical isomers distribute or purchase any nonprescription product containing more than 3.6 grams of ephedrine or pseudoephedrine per day in dosage form or more than 9 grams of ephedrine or pseudoephedrine per 30 day period in dosage form of any product. The limits set forth in this paragraph shall apply to the total amount of ephedrine or pseudoephedrine contained in the product and not the overall weight of such product.~~

~~(3) The pharmacy shall maintain a record of required information for each sale of a nonprescription product which contains ephedrine or pseudoephedrine for a period of two years from the date of each transaction. Except as to law enforcement agencies in this state which shall be provided immediate access by a pharmacy to all written and electronic logs or records upon request, the records maintained by a pharmacy~~

pursuant to this Code section shall not be disclosed. Pharmacies may destroy the required information collected pursuant to this subsection after two years from the date of the transaction.

(4)(A) On and after January 1, 2017, pharmacies shall, before completing a sale of a nonprescription product which contains ephedrine or pseudoephedrine, electronically track all such sales and submit the required information to a real-time electronic logging system. A pharmacy shall not complete the sale of a nonprescription product which contains ephedrine or pseudoephedrine if the real-time electronic logging system generates a stop sale alert except as provided in subparagraph (a)(4)(A) of this Code section.

(B) If a pharmacy selling a nonprescription product which contains ephedrine or pseudoephedrine experiences mechanical or electronic failure of the real-time electronic logging system and is unable to comply with the requirements of this paragraph, the pharmacy shall maintain a written log or an alternative electronic recording mechanism until such time as the pharmacy is able to comply with the electronic logging requirement.

(C) Absent negligence, wantonness, recklessness, or deliberate misconduct, any pharmacy utilizing the real-time electronic logging system in accordance with this paragraph shall not be civilly liable as a result of any act or omission in carrying out the duties required by this paragraph and shall be immune from liability to any third party unless the pharmacy has violated any provision of this paragraph in relation to a claim brought for such violation.

(D) The Georgia Bureau of Investigation shall provide real-time access to records on such logging system through an online portal to law enforcement agencies in this state.

~~(3)~~(5) It shall be unlawful for a retail distributor pharmacy to purchase any product containing ephedrine or pseudoephedrine from any person or entity other than a manufacturer or a wholesale distributor licensed by the State Board of Pharmacy.

~~(4) This subsection shall not apply to:~~

~~(A) Pediatric products labeled pursuant to federal regulation as primarily intended for administration to children under 12 years of age according to label instructions; and~~

~~(B) Products that the State Board of Pharmacy, upon application of a manufacturer, exempts because the product is formulated in such a way as to effectively prevent the conversion of the active ingredient into methamphetamine or its salts or precursors.~~

~~(5)~~(6) This subsection shall preempt all local ordinances or regulations governing the retail sale of over-the-counter products containing ephedrine or pseudoephedrine by a retail business except such local ordinances or regulations that existed on or before December 31, 2004. Effective January 1, 2006, this subsection shall preempt all local ordinances.

~~(6)(A) Except as otherwise provided herein, it shall be unlawful for any person knowingly to violate any prohibition contained in paragraph (1), (2), or (3) of this subsection.~~

~~(B)(7)(A) Any person convicted of a violation of paragraph (1), or (2), (3), or (4) of this subsection shall be guilty of a misdemeanor which, upon the first conviction, shall be punished by a fine of not more than \$500.00 and, upon the second or subsequent conviction, shall be punished by not more than six months' imprisonment or a fine of not more than \$1,000.00, or both.~~

~~(C)(B) Any person convicted of a violation of paragraph (3) (5) of this subsection shall, upon the first conviction, be guilty of a misdemeanor and, upon the second or subsequent conviction, be guilty of a misdemeanor of a high and aggravated nature.~~

~~(D)(C) It shall be a defense to a prosecution pursuant to this paragraph by law enforcement of a retail business or owner or operator thereof pharmacy for violation of paragraph (1), or (2), (3), (4), or (5) of this subsection that, at the time of the alleged violation, all of the employees of the retail business pharmacy had completed training complying with standards established under Georgia Meth Watch, as such standards existed on June 30, 2016, and the retail business pharmacy was in compliance with procedures established by Georgia Meth Watch, and the defendant did not knowingly, willfully, or intentionally violate paragraph (1) or (2) of this subsection. For purposes of this subsection only, the term 'Georgia Meth Watch' shall mean that program entitled 'Georgia Meth Watch' or similar program which has been promulgated, approved, and distributed by the Georgia Council on Substance Abuse as such standards existed on June 30, 2016; provided, however, that this subparagraph shall not apply to the State Board of Pharmacy or prevent it from taking disciplinary action for a violation of this subsection.~~

~~(7) Except as otherwise provided in this subsection, the State Board of Pharmacy may adopt reasonable rules and regulations to effectuate the provisions of this subsection. The board is further authorized to charge reasonable fees to defray expenses incurred in maintaining any records or forms necessitated by this subsection or otherwise administering any other provisions of this subsection.~~

~~(e)(d) This Code section shall not apply to:~~

~~(1) Pediatric products primarily intended for administration to children under 12 years of age, according to label instructions, either:~~

~~(A) In solid dosage form whose recommended dosage, according to label instructions, does not exceed 15 milligrams of ephedrine, pseudoephedrine, or phenylpropanolamine per individual dosage unit; or~~

~~(B) In liquid form whose recommended dosage, according to label instructions, does not exceed 15 milligrams of ephedrine, pseudoephedrine, or phenylpropanolamine per five milliliters of liquid product;~~

~~(2) Pediatric liquid products primarily intended for administration to children under two years of age for which the recommended dosage does not exceed two milliliters and the total package content does not exceed one fluid ounce; or~~

(3) ~~Products~~ products that the State Board of Pharmacy, upon application of a manufacturer, exempts by rule from this Code section because the product has been formulated in such a way as to prevent effectively the conversion of the active ingredient into methamphetamine or its salts or precursors.

~~(d)~~(e) Except as authorized by this article, it is unlawful for any person to possess, have under his or her control, manufacture, deliver, distribute, dispense, administer, purchase, sell, or possess with intent to distribute any ~~substance~~ product containing any amounts of ephedrine, or pseudoephedrine, ~~phenylpropanolamine, or any of their salts, optical isomers, or salts of optical isomers~~ which have been altered from their original condition so as to be powdered, liquefied, or crushed. This subsection shall not apply to any of the substances identified within this subsection which are possessed or altered for a legitimate medical purpose. Any person who violates this subsection shall be guilty of a felony and, upon conviction thereof, shall be punished by imprisonment for not less than one year nor more than ten years."

A BILL TO BE ENTITLED
AN ACT

To amend Title 31 of the Official Code of Georgia Annotated, relating to health, so as to enact the "Georgia Right to Try Act"; to provide for investigational drugs, biological products, and devices for patients with terminal illnesses; to provide for a short title; to provide for legislative findings; to provide for definitions; to provide for eligibility criteria; to provide for written informed consent; to allow manufacturers to make such drugs available; to provide that health benefit coverage is not mandatory; to prohibit

sanctions against a physician's license; to prohibit blocking access; to provide for statutory construction; to amend Article 2 of Chapter 34 of Title 43 of the Official Code of Georgia Annotated, relating to medical practice, so as to repeal a provision regarding access to medical treatment and experimental and nonconventional medical treatments; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Title 31 of the Official Code of Georgia Annotated, relating to health, is amended by adding a new chapter to read as follows:

"CHAPTER 52

31-52-1.

This chapter shall be known and may be cited as the 'Georgia Right to Try Act.'

31-52-2.

(a) The General Assembly finds and declares that:

(1) The process of approval for investigational drugs, biological products, and devices in the United States protects future patients from premature, ineffective, and unsafe medications and treatments over the long run, but the process often takes many years;

(2) Patients who have terminal illnesses do not have the luxury of waiting until an investigational drug, biological product, or device receives final approval from the federal Food and Drug Administration;

(3) Patients who have terminal illnesses have a fundamental right to pursue the preservation of their own lives by accessing available investigational drugs, biological products, and devices;

(4) The use of available investigational drugs, biological products, and devices is a decision that should be made by a patient with a terminal illness in consultation with the patient's health care provider; and

(5) The decision to use an investigational drug, biological product, or device should be made with full awareness by the patient and the patient's family of the potential risks, benefits, and consequences.

(b) It is the intent of the General Assembly to allow for patients with terminal illnesses to use potentially life-saving investigational drugs, biological products, and devices.

31-52-3.

As used in this chapter, the term:

(1) 'Eligible patient' means a person who meets the requirements of Code Section 31-52-4.

(2) 'Investigational drug, biological product, or device' means a drug, biological product, or device which has successfully completed Phase I of a federal Food and Drug Administration approved clinical trial but has not yet been approved for general use by the federal Food and Drug Administration and currently remains under investigation in a federal Food and Drug Administration approved clinical trial.

(3) 'Physician' means a person licensed to practice medicine pursuant to Article 2 of Chapter 34 of Title 43.

(4) 'Terminal illness' means a disease that, without life-sustaining procedures, will result in death in the near future and is not considered by a treating physician to be reversible even with administration of current federal Food and Drug Administration approved and available treatments.

(5) 'Written informed consent' means a written document that:

(A) Is signed by the patient; parent, if the patient is a minor; legal guardian; or health care agent designated by the patient in an advance directive for health care executed pursuant to Chapter 32 of Title 31;

(B) Is attested to by the patient's physician and a witness; and

(C) Meets the requirements of Code Section 31-52-5.

31-52-4.

In order for a person to be considered an eligible patient to access an investigational drug, biological product, or device pursuant to this chapter, a physician must document in writing that the person:

(1) Has a terminal illness;

(2) Has, in consultation with the physician, considered all other treatment options currently approved by the federal Food and Drug Administration;

(3) Has been given a recommendation by the physician for an investigational drug, biological product, or device; and

(4) Has given written informed consent for the use of the investigational drug, biological product, or device.

31-52-5.

Written informed consent shall, at a minimum, include the following:

(1) A description of the currently approved products and treatments for the terminal illness from which the patient suffers;

(2) An attestation that the patient concurs with his or her physician in believing that all currently approved and conventionally recognized treatments are unlikely to prolong the patient's life; and the known risks of the investigational drug, biological product, or device are not greater than the probable outcome of the patient's terminal illness;

(3) Clear identification of the specific proposed investigational drug, biological product, or device that the patient is seeking to use;

(4) A description of the potential best and worst outcomes of using the investigational drug, biological product, or device and a realistic description of the most likely

outcome. The description shall include the possibility that new, unanticipated, different, or worse symptoms might result and that death could be hastened by the proposed treatment. The description shall be based on the physician's knowledge of the proposed treatment in conjunction with an awareness of the patient's condition;

(5) A statement that the patient understands that his or her health benefit plan is not obligated to pay for the investigational drug, biological product, or device, or any care or treatment consequent to the use of such drug, product, or device, unless such health benefit plan is specifically required to do so by law or contract;

(6) A statement that the patient understands that his or her eligibility for hospice care may be withdrawn if he or she begins treatment with the investigational drug, biological product, or device but that such hospice care may be reinstated if such treatment ends and he or she meets hospice eligibility requirements; and

(7) A statement that the patient understands that he or she is liable for all expenses consequent to the use of the investigational drug, biological product, or device and that such liability extends to the patient's estate, unless a contract between the patient and the manufacturer of the investigational drug, biological product, or device states otherwise.

31-52-6.

(a) A manufacturer of an investigational drug, biological product, or device may make available and an eligible patient may request access to the manufacturer's investigational drug, biological product, or device pursuant to this chapter; provided, however, that nothing in this chapter shall be construed to require that a manufacturer make available an investigational drug, biological product, or device to an eligible patient.

(b) A manufacturer may provide an investigational drug, biological product, or device to an eligible patient:

(1) Without receiving compensation; or

(2) With the requirement that the eligible patient pays the costs of, or the costs associated with, the manufacture of the investigational drug, biological product, or device.

31-52-7.

A health benefit plan or governmental agency may provide coverage for the cost of any investigational drug, biological product, or device pursuant to this chapter; provided, however, that nothing in this chapter shall be construed to require a health benefit plan or governmental agency to provide coverage for the cost of any investigational drug, biological product, or device pursuant to this chapter.

31-52-8.

The Georgia Composite Medical Board shall not revoke, suspend, sanction, fail to renew, or take any other action against a physician's license solely based on such

physician's recommendation, prescription, or treatment of an eligible patient with an investigational drug, biological product, or device pursuant to this chapter.

31-52-9.

No official, employee, or agent of the state shall block or attempt to block an eligible patient's access to an investigational drug, biological product, or device. Counseling, advice, or a recommendation for treatment consistent with medical standards of care shall not be construed as a violation of this Code section.

31-52-10.
