## **OUR ALL AMERICAN HOMETOWN**

At Candor, we integrate our values into everything we do.

Which is one of the reasons we chose Rome, GA as our headquarters.

The image shows two large, dark wooden cannons mounted on wooden carriages with spoked wheels. They are positioned on a grassy hillside. In the background, there are several tall evergreen trees and a line of bare deciduous trees. The sky is filled with soft, wispy clouds, and the sun is setting, creating a warm, golden glow. The overall scene is peaceful and historical.

partner with the community of Rome, GA”*
