Our Partners

Life Changing Opportunities – Two Examples of Local Impact

Employee: F. Smith – Age 22

- Homeless as a child, raised on a shrimp boat
- Worked at a local Subway restaurant
- Now a well-paid Data Analyst with a transferrable skillset

Employee: The Rankin Family

- Three sisters, two of which worked entry-level at McDonalds
- Family ties keeping them local
- One now manages a team of Developers, one is a QA Specialist for mobile applications, and one is an SQL Data Analyst

Local Involvement

- Providing direct income to the state of Georgia via rent of otherwise vacant real estate
- Supporting local events such as Vidalia Onion Festival, Tattnall C.A.R.E.S., and Glennville Elementary School programs
- Increasing the average annual income by being one of the highest paying employers in the area
